EQUALITY COMMUNITY CENTER

Providing services and advocating equality for Portland and Maine's LGBTQIA* community. Making a difference in people's lives through the life cycle.

We've created a work place for organizations already providing services to our community but now, under one roof.

We're in **PHASE ONE**: service groups collaborating together, expanding services, assessing community needs, collecting data, planning for a larger, more comprehensive center.

Then, **PHASE TWO**: moving into a larger building with more dynamic and multi-dimensional services provided by a wider spectrum of groups, housing units and, an LGBTQIA hub for Portland.

* lesbian, gay, bisexual, transgender, queer/questioning, intersex and asexual/ally
